**Proceedings:** IN CHAMBERS - COURT ORDER

Before the Court is a Notice of Removal filed by defendant ITT Corporation (“Defendant”) on July 12, 2012. Defendant asserts that this Court has jurisdiction over the action brought against it by plaintiff Patricia Campos (“Plaintiff”) based on the Court’s diversity jurisdiction. See 28 U.S.C. § 1332.

Federal courts are courts of limited jurisdiction, having subject matter jurisdiction only over matters authorized by the Constitution and Congress. See, e.g., Kokkonen v. Guardian Life Ins. Co., 511 U.S. 375, 377, 114 S. Ct. 1673, 1675, 128 L. Ed. 2d 391 (1994). A suit filed in state court may be removed to federal court if the federal court would have had original jurisdiction over the suit. 28 U.S.C. § 1441(a). A removed action must be remanded to state court if the federal court lacks subject matter jurisdiction. 28 U.S.C. § 1447(c). “The burden of establishing federal jurisdiction is on the party seeking removal, and the removal statute is strictly construed against removal jurisdiction.” Prize Frize, Inc. v. Matrix (U.S.) Inc., 167 F.3d 1261, 1265 (9th Cir. 1999). “Federal jurisdiction must be rejected if there is any doubt as to the right of removal in the first instance.” Gaus v. Miles, Inc., 980 F.2d 564, 566 (9th Cir. 1992).

In attempting to invoke this Court’s diversity jurisdiction, Defendant must prove that there is complete diversity of citizenship between the parties and that the amount in controversy exceeds \$75,000. 28 U.S.C. § 1332. To establish citizenship for diversity purposes, a natural person must be a citizen of the United States and be domiciled in a particular state. Kantor v. Wellesley Galleries, Ltd., 704 F.2d 1088, 1090 (9th Cir. 1983). Persons are domiciled in the places they reside with the intent to remain or to which they intend to return. See Kanter v. Warner-Lambert Co., 265 F.3d 853, 857 (9th Cir. 2001). “A person residing in a given state is not necessarily domiciled there, and thus is not necessarily a citizen of that state.” Id. For the purposes of diversity jurisdiction, a corporation is a citizen of any state where it is incorporated and of the state where it has its principal place of business. 28 U.S.C. § 1332(c); see also Indus. Tectonics, Inc. v. Aero Alloy, 912 F.2d 1090, 1092 (9th Cir. 1990).

The Notice of Removal alleges: “Defendants are [sic] informed and believe that Plaintiff was, at the time of filing the Complaint, and still is, a resident and citizen of the state of California.” (Notice of

UNITED STATES DISTRICT COURT

Case No.	CV 12-6006 PA (CWx)	Date	July 17, 2012
Title	Patricia Campos v. ITT Corporation		

Removal 2:28-3:1.) The Complaint alleges only that Plaintiff “is an individual who was employed by Defendant . . . in Los Angeles County, in the State of California.” (Complaint 3:25-26.) Because the Complaint does not allege Plaintiff’s citizenship, and the Notice of Removal does not provide more than a conclusory allegation of Plaintiff’s citizenship, the Notice of Removal’s allegations are insufficient to establish Plaintiffs’ citizenship. “Absent unusual circumstances, a party seeking to invoke diversity jurisdiction should be able to allege affirmatively the actual citizenship of the relevant parties.” Kanter, 265 F.3d at 857; Bradford v. Mitchell Bros. Truck Lines, 217 F. Supp. 525, 527 (N.D. Cal. 1963) (“A petition [for removal] alleging diversity of citizenship upon information and belief is insufficient.”). As a result, Defendant’s allegations are insufficient to invoke this Court’s diversity jurisdiction.

Therefore, Defendant has failed to meet its burden to demonstrate the Court’s diversity jurisdiction. Accordingly, the Court remands this action to Los Angeles Superior Court, Case No. BC485670. See 28 U.S.C. § 1447(c).

IT IS SO ORDERED.
